

Quality First Child Care, Inc. Family Referral Fee Program

Program Details

- To be eligible to participate in QFCC's **Family Referral Fee Program** a **Participant** must simply refer a Morning, Evening, Overnight or Weekend client to either one of Quality First Child Care's two Bolingbrook locations.
- Eligible **Participants** will earn and receive **Referral Fees** for up to \$300.00 if the **Referred Family** enrolls and remains a client in "good standing" for four (4), eight (8) or twelve (12) weeks.
- **Participants** will receive a \$100 payment at the end of each four (4) week, eight (8) week and twelve (12) week period.
- The **Family Referral Fee Program** is open to the public so **Participants** do not have to be current or former clients of QFCC. **ANYONE**, including family, friends and co-workers, can participate.
- To participate, a **Participant** must place his or her name, telephone number and e-mail on the back of one of QFCC's business cards and instruct the **Referred Family** to present the business card to the **Provider** at the time of their initial interview. If a **Participant** does not have a QFCC business card available at the time of the referral, the **Participant** should instruct the **Referred Family** to give the **Provider** the **Participant's** name, telephone number and e-mail at the time of their interview so that one of our **Providers** or **Administrator** may contact the **Participant** and credit them for the referral.
- The Following Terms and Conditions Apply: (a) the **Referred Family** must be in "good standing"; (b) referral bonuses for families that receive child care assistance subsidies will not be paid until the **Referred Family's** child care assistance application case has been approved and QFCC has received payment from the State for services rendered during each four (4) week period.

Thank you for your interest and your continued support of QFCC. If you have any questions about the **Family Referral Fee Program**, please contact our **Administrator**, Napoleon Lawson at (630) 806-6348, or our **Providers**, Memory Burnett at (630) 270-9970 or Maria Cruz at (630) 631-4088.
